Cannabis Meets Healthcare

CANNABINOID MEDICAL SYMPOSIUM

"I've been to many medical cannabis conferences, but this one was different. The level of expertise was remarkable and the lectures were high impact." -Dr. Ira Price, MD, FRCPC

"Cannabis meets Healthcare by International Cannabis Solutions is a rare opportunity to digest the emerging research of cannabinoid medicine—you're not going to find a more holistic platform in presenting how healthcare professionals can better understand true risks features and benefits of cannabinoid medicine." —Av Singh
